

A. Competitive Examination Cell

The competitive examination cell has been established in college to motivate students and provide support to them for all types of Competitive Exams such as Civil services, State Services, Banking Services, etc.

Following Activities are arranged by the cell:

1. Coaching classes and mock tests for competitive exams by faculty at free of cost.
2. Lectures by eminent personalities for awareness about competitive exams.
3. Providing Study material, E-resources and wi-fi facility.

Facilities:- Separate library section for competitive examinations.

Co-ordinators:- **Dr. Veena. E.**

Prof. Gowra. Yalamali

Prof. Vishala. Telagade

B. Students Counseling

Career Counseling.

Career counseling programmes in KLES aim to provide assistance and advice to students to make them aware and better informed so that they can choose career options in their own future. Career counseling helps the students to realize their strengths and weaknesses by implanting self-awareness, decision making skills, planning skills, personality development etc. For this purpose college has Career Counseling cell and it conducts the programmes throughout the year.

Objectives:-

- To promote career guidance & counseling through lectures and workshops by experts.
- To organize programs for interview skills, personality development, communication skills, leadership skills.

Personal Counseling:-

Career counseling as well as personal Counseling provided to the students. Mentor-mentee system is developed in the college, all the full time teachers are mentors and they counsel their mentees. Throughout the academic year number of students take benefits of counseling services. Our college is located in semi urban area and it is observed that several of our rural students, especially the poor and the marginalized lack opportunities. It is to give them that cutting edge in a highly competitive and ruthless world, that our college has provided various facilities.

- Financial aid for economically challenged students by faculty to continue their education.
- Workshops for students.
- Survey of villages.
- Extension activities and experiential learning under UBA.

C. Soft Skill Development

Goal:- To develop "**Professional English Communicative Competence and Skills**"

Objectives:-

- To acquaint the students with the different modes of Communication in the context of modern life.
- To make them effective and efficient users of language.
- To inscribe upon their minds, the importance and value of Communication in personality.
- Development and career prospects.
- To enhance their employment opportunities with required skills.

Facilities

- Certificate Courses
- Workshops in soft skills and life skills
- Marketing Fest
- Guidance from the Experts
