The K L e Society's Arts and Commerce College Gadag under ICT cell organized awareness programme on "CYBER SECURITY" on 04-01-2020. Prof Gowra Yalamalli was the resource person for this awareness programme. She revealed that how students in this developing country are mindful of cyber attacks and how they can mitigate the attacks and to find out if the cyber security awareness program is among this awareness programme.

The preliminary results indicated that the students claimed to have basic cyber security knowledge, but are not well informed of how to protect their data. So the students asked to be careful of Hackers and unwanted links /messages. The
