REPORT:

Report On Blood Donation Camp Report:

A Blood donation camp was organized on January 23, **Martyrs' day**, in the memory of those who sacrificed their lives like Bhagat Sing, Rajguru and Sukdev who struggle for India's freedom by our NSS unit, in collaboration with Indian Red Cross Society, Gadag, through which 40 units of blood was donated by both students and the staff members. It is a way of K. L. E. Society's Arts and Commerce College, Gadag; gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated stated by IMA President Dr. Pawadshettar.

Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons stated by our beloved Principal. Dr. C. S. Hasabi. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it. Prof. Nagashree Pujari of YRC, Smt Veena Tirlapur of NSS, all the Faculties, Direct Selling Industry members and students took part in Blood Donation Camp.
