## Pre-Placement Skills Training Workshop

Soft skills are professional skills and skills that candidates need to master in today's competitive world. These are skills that reflect the personality of the candidate. Communication, teamwork and problem solving are important soft skills that can be achieved through 4 steps. These skills become a habit when they reach the end of the level of conscious competence from the level of the unconscious disability to the conscious competence stage stated by Mr.H..Vishwesh, Director of the "ARIVU" Skill Development Institute. Speaking at a one day "Pre-Placement Skills Training Workshop" organized under IQAC-sponsored Career Counseling and Placement Cell at KLE Society's Arts and Commerce College on 29-01-2020. He said it was inevitable that such workshops play an important role in their ability to demonstrate soft skills in their chosen careers. 4 technical sessions were organized. During these sessions, Mr. HV Vishwesh and Mrs. Sandhya Kulkarni trained on goal setting, group discussion, writing and personal interview. Students from Abdul Kalam and G T College and Reddy College participated, benefiting a total of 65 students. Former Principal of the College, Dr. C.S. Hasabi addressed the students in this workshop on how to use the knowledge gained in this workshop on pre-precement skills that are essential in today's competitive technological world. Speaking from the presidency, Prof. M B Kolavi, called on students to be proficient in such professional skills in order to successfully pursue their chosen careers. Kumar Bhaskar Kulkarni of Abdul Kalam College and Akash Hombalimath, expressed their views and said that such activities should be organized every year. Mrs Gaura Yalamali, coordinator of Career Counseling and Placement Cell, greeted everyone. The event was hosted by Dr.Veena.E. Students and all staff members were present at the workshop.
