REPORT:

Cleaning is important for the health and safety. If the hallways and rooms within a college is cluttered with rubbish, cables, boxes and other obstacles, it increases the likelihood of accidents and mishaps. If a serious injury occurs as a result of a disorganised work environment, it can potentially lead to more severe problems, including lawsuits and a loss of productivity and faith in the college.

Maintaining a clean college environment sets a good example to students. It encourages learners to take pride in their university or college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. With this regards our college principal Shri. M. B. Kolavi asked the students to clean the surrounding, clean the college area, clean environment which benefit is protecting college infrastructure. Electronic equipment, furnishings and other resources are an important part of college infrastructure. Over time, dust, dirt and rubbish can prevent these things from running efficiently.

NSS Programme Officer Shri. G T Nayak welcomed the gathering, Kumari Neevedita Bulla sung welcome prayer. Kumari. Sangeeta Hiremath & Kumari. Likitha spoke about cleanliness. Vote of thanks proposed by Kumari Nivedita Bulla.
