decided to impart the skill of "Saree Kuchhu making" and develop entrepreneurship among them.. Periodically the trainee monitored by the department Head. Necessary inputs provided there on Feedback from the girls.Home Supervisors about the rate of success. Ensuring development and protection of children through various polices and programme, spreading awareness about their rights and facilitating access to learning and supplementary nutrition for targeted groups, institutional and legislative support for enabling them to grow and develop to their full potential. This certificate course intends to create economic development of women and break poverty. This will provide self employment at their homes, can give them a daily income and can enable them to have their different identity in the society.
