Workshop on "What after B A and B Com?"

Our college will be able to help you weigh up your options after graduation. They will be able to advice on options for further study, or give you some tips on the best places to look for careers leads.

While in higher education you might want to think about enhancing your chances of getting a job through voluntary work or other work experience opportunities. Getting involved with student newspapers, radio stations, sports classes or taster courses might also help provide the kind of experience employers are looking for. Regards to this the college organizes One Day Workshop on What after B A and B Com for all the students of our college under Commerce Association with Career Counseling Cell on 24-08-2018. Mr Anand Patil of Anand Academy Hubballi was the Resource person for the Workshop. Sir Expressed that many graduate vacancies are open to graduates with degrees in any subject. However, finding out what other graduates in your subject are doing can be a good way of getting ideas. Prospects compile an annual graduate destination survey, with useful information what graduates in each subject are doing six months after graduation.

Principal Prof. M. B. Kolavi was the President for the workshop. Smt Sweta Rachayyanavar proposed the Vote of Thanks to on and all.
