REPORT:

On 30th of June 2022, K L E Society's Arts and Commerce College, Gadag students and staff took out a rally to raise their voice in support of environment conservation. They sensitized the masses about the menace of environment degradation and suggested measures to reduce pollution.

Keeping the motto, that 'we are a part of nature, not apart from nature' we began our rally which is flagged by our principal Prof. M. B. Kolavi. This rally

encouraged our young minds to plant more numbers of trees and grow them with care. Surely today knowing the importance of trees, our students with fellow beings, promise to keep our mother earth always green.

Students marched from College campus to Main streets of Gadag like, Hatalageri Naka, K C Rani Road, Gandhi Circle, Jenda Cirle and Station Road with placards and banners bearing slogans about pollution control, saving energy and reducing wastage. They also urged people with banners and posters were displayed and hand outs were distributed. The handouts had slogans likw

- No to plastic, use cloth bag.
- Save water, save life.
- Life grows, where water flows.
- Let's go green to get our globe clean
- Use public transport, stop pollution.
- Use paper on either side.
- Grow trees, save environment.
- Clean village – Healthy village
- Litter makes the planet bitter.
- Learn to recycle and use your bicycle.
- Now wastage is future shortage.
