An integral part of human nature is to keep our surroundings clean and healthy. It is our duty to adopt our ancestors' diet, Ayurvedic herbs in our daily lives, which makes our elders and grandparents stay healthy. Planting and nurturing many types of flower-fruit saplings at home can also enhance their health. Principal Prof M.B. Kolavi at the distribution of Fruit saplings which took place under NSS and YRC of K L E Society's Arts and Commerce College, in association with Gadag-Batageri on 05-06-2023.
