Resource Person: Dr. Namrata M, Associate Professor, Maharani Science College for Women, Mysore

REPORT

National Level Special Lecture Series was organized in Collaboration with GFGC, Ankola on 23rd May 2025 "From Runway to Reality: The Crux of Fashion Designing for Dazzling Career", National Webinar Dr. Namrata M, Associate Professor, Maharani Science College for Women, Mysore, was the resource person for the Webinar. Around 419 Teachers, academicians, students and Home Scientists registered for the Webinar. Which was in Hybrid Mode and the link of the webinar shared in registered emails as well as in whatsapp as well as in Telegram groups.

Dr. Vijaya U Patil, Asst Professor, GFGC Ankola introduced Dr. Namrata M, Associate Professor, Maharani Science College for Women, Mysore.

Dr. Namrata M started her talk presenting the ppt. She expressed that Beyond being a runway model, the fashion industry offers opportunities in accessory design, textile design, fashion styling, fashion journalism, retail buying, personal shopping, and more. The fashion world is constantly changing, with new trends and technologies emerging frequently. This necessitates a willingness to adapt and innovate. Digital fashion shows, virtual try-on apps, and AI-powered algorithms are reshaping the fashion industry, offering new ways to showcase designs, improve customer experience, and streamline operations.

A dazzling career in fashion can span diverse roles, from runway models to fashion journalists, influencers, and designers, all contributing to the dynamic world of fashion. The industry is constantly evolving, demanding creativity, adaptability, and a keen eye for detail. Digital fashion shows and technology integration are also revolutionizing the industry, offering new avenues for designers and fashion enthusiasts.

In Conclusion:

The fashion industry is not just about creating and showcasing clothes; it's about creating stories, expressing creativity, and influencing culture. The lecture presented a

comprehensive overview of fashion design, emphasizing its impact on health and career opportunities.

It highlighted the importance of creating spaces that are not only aesthetically pleasing but also functional, sustainable, and conducive to the physical and mental well-being of the occupants. The lecture also underscored the growing demand for skilled interior designers and the diverse career paths available within the industry. Success in the fashion industry requires not only technical skills but also a strong passion, a keen eye for detail, and the ability to persevere through challenges. Stated by two students who pursued UG and PG in Fashion technology, entrepreneurs namely Miss. Anita Kakhari and Trupti Bevinatti working at Amazon.

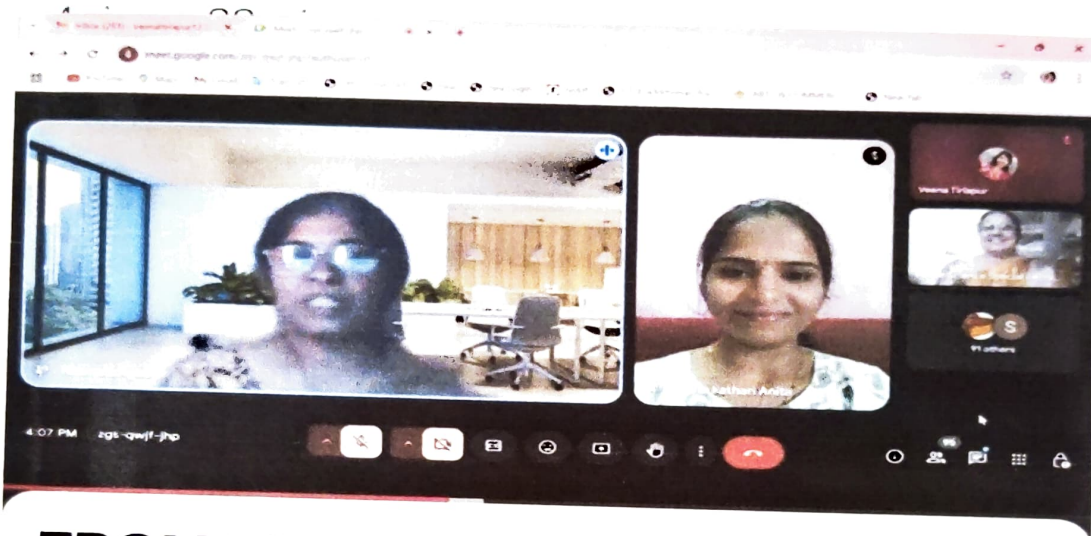

Digital fashion shows, sustainable materials, and AI-powered solutions are shaping the future of fashion, promising a more inclusive, sustainable, and accessible industry. Both the Principals of the College Smt Vidya D Nayak of GFGC Ankola and Dr. A. K. Math of KLE Society's Arts and Commerce College, Gadag attended the webinar. This webinar attended by the participants from, Tamilnadu, Andrapradesh, Bihar, Telangana, Rajasthan, Delhi, West Bengal, Maharashtra, Assam Bihar and UAE ...etc. Total we received 258 Feedback from the participants. All of them received the certificates of Participation. Prof Veena Tirlapur, Organizing Secretary of the webinar proposed vote of thanks.

all good

Related FRM also

More webinars conduct very nice organization

Overall very good

Worthy

Good topic

Very informative session

Such webinars are necessary.

I gained knowledge

Please include some AI generated tools to be used in the particular may be research and extension

Keep doing more such seminars

Superrr

Very informative lecture, some things okk

Need more like these webinars

VERY USEFUL

Webinar was well organised

Good kerp it up

Bring up more of career oriented webinars

Good manegement

Looking forward to more webinars

Very informative session not suggestions from my side

Please rectify the network problem

Every thing is ok
